LET'S GET DOWN TO BUSINESS

PCU in the Community

After a long 2+ years, the PCU Crew was able to get back into the community. Earlier this month Palisades participated in two community events, helping to raise awareness of the Credit Union and share our benefits with residents of Rockland and Bergen Counties

Bergen County Homeownership Fair

On Saturday, June 11th, the Credit Union participated in the 24th Annual Bergen County Homeownership Fair, held at Overpeck County Park in Ridgefield Park, NJ. The fair, hosted by the Bergen County Division of Community Development, presented an opportunity for homeowners and potential buyers to meet local realtors, financial institutions, mortgage companies, and other experts who were ready to share advice and answer questions.

The event offered our Mortgage Loan Officer access to approximately 500 attendees, as well as the opportunity to discuss the Credit Union's services with other professionals in the industry.

Rockland County Youthfest

On Sunday, June 12th, Palisades Credit Union participated in the 22nd Annual Rockland County YouthFest, held at Clover Stadium in Pomona, NY. The event provided the community with an opportunity to interact with many services available to children, youth, and families in Rockland County in one place with free access to vendors, services, and activities throughout the day.

Approximately 100 agencies and businesses provided information to over 5,000 children, youth, and adults that attended the event. Credit Union staff interacted with families and shared the benefits of our Youth Accounts, including our current promotion that awards up to \$100 for each new Youth Account. Additionally, we discussed other financial solutions with parents to help meet their needs

A special thanks to all the Palisades staff that volunteered at our recent events! Be on the lookout for Palisades at volunteer opportunities in the coming months, as we have plans to support the Sloatsburg Food Pantry, the Hudson Valley Food Bank, and NAMI Rockland, to name a few.

Get a Headstart with Palisades

Learning about financial literacy is a life long lesson but opening up a Youth Account at Palisades is a good first step. At Palisades we are now offering a special promo where members can earn up to \$100 when opening up a Youth Account. We offer both a youth savings and checking account. Your child can learn how to save while also earning on their funds. At the age of 13 members can now have a debit card and learn the meaning of a dollar while also learning how to spend. Minors under 18 will need a joint member to open the account but can take advantage of their Youth Savings benefits up to Age 21. Give your little one a head start when it comes to understanding their finances with a Palisades Youth Account.
